Berlin Lights Calendar 2025 for the Festival of Lights Berlin and Artist Talk

Berlin – 1st of November at 6 pm, the photographer of the 'Berlin Lights' festival, Enrico Verworner, will be a guest at the Bodo Uhse Library (Erich-Kurz-Str. 9 10319 Berlin). In an artist talk, he will speak about the creation of the images that he has been publishing for many years in the Smiling Berlin Verlag both as a photo book and as the 13th calendar 'Berlin Lights'.

Additionally, Enrico Verworner himself was involved in the illuminations of the Berlin Festival of Lights. His photos and graphics have been projected multiple times onto the Konzerthaus, the Berlin Cathedral, and the Brandenburg Gate. The Festival of Lights Berlin takes place from October 4th to 13th, 2024.

The DIN A3 format 'Berlin Lights' calendar for the Festival of Lights Berlin will showcase the following motifs: Berlin Cathedral, Berlin TV Tower, Humboldt Forum in the Berlin Palace, City Hall Berlin, Brandenburg Gate Berlin, Friedrichstadt-Palace Berlin, Bellevue Palace Berlin, Oberbaum Bridge Berlin, Bode Museum on Museum Island, Konzerthaus, Gendarmenmarkt Berlin, State Opera Bebelplatz Berlin, and Dom Aquaree Berlin.

For exclusive images and giveaway copies of the unique Festival of Lights calendar and photo book, please contact us at 0176-78862998 or info@berlin-lights.com.

High-resolution (300dpi) image material can be downloaded at <http://berlin-lights.com/press/>. The use of images is permitted only with copyright 'Enrico Verworner www.berlin-lights.com' either on or in the image. We are also happy to provide images of other buildings.

The Photographer Enrico Verworner, recognized by the Mayor of Berlin for his photography as an ambassador of the city and awarded the Silver Photo Oscar for professional photographers, has been active in the photography industry since 2005 as the former head of a portrait studio. Known for his productions in editorial and advertising photography, including nature and environmental photography, fashion and beauty, and as a practical lecturer at a Berlin photo school, his photo series and productions reach a broad audience through official city portals like berlin.de and berlinonline.de, as well as various Berlin magazines and publishers, ensuring that every Berliner has seen a photo by Enrico Verworner. In early 2014, Enrico Verworner was named an outstanding artist of digital photography by the photography magazine 'Digital Fotografie'. For years, Enrico Verworner has been delivering outstanding images for the light festivals Festival of Lights and Berlin leuchtet.

The Publisher Founded on the occasion of the humorous Berlin book 'Smiling Berlin - A Declaration of Love in Pictures' by Lasse Walter, Smiling Berlin Verlag has made it its mission to offer titles from Berlin for Berliners, Berlin fans, and all positively minded people or those who aspire to be. With 22 published titles, it is a solid presence in the Berlin book market for photo books, calendars, dog titles, and gift books. In recent years, the publisher has generated donations worth over €20,000 for social projects and institutions and has planted a total of 2,000 trees in Berlin."
